YAY... SHE'S BACK!

After 3 months of absence, our favourite lady in pink returns... This sassy little gem is a bright crimson colour, bursting with luscious summer berries on the nose and palate. Ripe strawberries, fresh raspberries, Turkish delight, rosewater and fairy floss all feature. It's initial sweetness is balanced with crisp natural acidity, providing a clean finish that's utterly morish. Hip Hip Hooray to the long awaited release of our 2011 Woodstock Grenache Rosé!

We'd like to acknowledge all of our loyal Rosé followers for their patience with this exclusive offer... **Purchase 12 bottles of 2011 Grenache Rosé for \$180 (Delivered)**

The first 10 purchases will receive 1 FREE bottle of 2011 Rosé on us!
